The Pittsburgh Project plans its calendar based on the Pittsburgh Public Schools (PPS) schedule, since most of our students attend Pittsburgh Public Schools. The Pittsburgh Project's Afterschool Programs will be cancelled when The Pittsburgh Public Schools are closed due to inclement weather.

**If the weather is turning bad in the afternoon, we will decide at 1:00 p.m. whether to have the afterschool program that day. You may call The Pittsburgh Project after 1 p.m. to see if the program is still meeting. You may also check WPXI-TV, wpxi.com, or WTAE-TV to see if after-school activities have been cancelled.
